

**VOICES OF THE PRIDE COMMITMENT FORM
2022-2023**

To: Students and Parents
From: Heath A. Walter, Conductor
Subject: Information about the Voices of the Pride, membership requirements, schedule/calendar of rehearsals/performances, financial/fundraising responsibilities, and questions regarding your commitment to the Voices of the Pride.
Date: Wednesday, February 23, 2022

The Castle View High School Voices of the Pride has established its tradition of fine choral music singing in the state of Colorado. They have achieved their success by finding the fun in being serious about choral music. The dedication of the members, their families, its director, administration, faculty, and community are all an integral part of the continued success of Voices of the Pride. Please read carefully the contents of this packet, paying particular attention to the demanding schedule of rehearsals and performances as well as financial and fundraising responsibilities of the Voices of the Pride.

Voices of the Pride will perform literature from all periods found in choral music history including sacred and secular literature. All genres of choral music are taught as great choral art. We perform a wide variety of literature and are exposed to as many different cultures as is possible in one academic year.

Being a member of Voices of the Pride requires a BIG time commitment. All rehearsals and performances are mandatory. Excused absences are defined in the CVHS handbook and are Board Policy. No exceptions to this policy will be made. If you are involved in other CVHS related activities that prevent you from making a complete and thorough time commitment to the Voices of the Pride, you need not participate in the call back audition. I must know your plans now so there are no surprises. You know if you can make the time commitment or not. Demonstrating poor attendance will jeopardize your membership and grade. *See your CVHS handbook if you have any questions.* An absence from a rehearsal or performance due to an activity **not** sponsored by CVHS, i.e. a dance recital, musical, play, college visits, vacations, or any other activity not sponsored by CVHS, is unexcused. Make-up work due to an excused absence will include spot-checking literature for the instructor. No make-up work is possible for unexcused absences from rehearsals and performances. Listening is highly stressed. All Voices of the Pride members are held accountable for doing so and are highly rewarded. Failure to do so will result in a lowered grade. You will find that participating 100% in the Voices of the Pride will produce unbelievable results and will ensure the Voices of the Pride continued success. You will have an unparalleled experience.
